

TRANSITIONING STUDENTS TO REMOTE LEARNING

Due to the impact of COVID-19, it may be necessary to transition students to remote learning.

Criteria for Transitioning a School to Remote Learning

SCHOOL ENROLLMENT	COVID-19 POSITIVE/SELF-QUARANTINED STAFF (%)*
1 - 449	20% - 25%
450 - 899	25% - 30%
900 & ABOVE	30% - 35%

*This criterion is a starting point to consider a transition to remote learning. Additional factors will also be considered.

Additional Factors to Consider

- LDH Guidance
- Type of Positions Impacted
- Proportion of Students in Isolation and/or Quarantine

District administration, appropriate public health officials (e.g.- State of Louisiana Regional Epidemiologist), and contracted school health leadership will be consulted prior to finalizing any decision to transition a classroom, multiple classrooms or a school to remote learning. Decisions are based on current Louisiana Department of Health K-12 School Guidance.
